NJ2BB Scuttlebutt by Joe Cramer, N2XYZ

The Battleship New Jersey Amateur Radio Station is getting into a busy time of the year. Another big event for paper chasers this year is the celebration of the Four Sisters Reunion Special Event **June 5- 0800 local to June 6- 2000 local time.** The Ships are the New Jersey, Wisconsin, Missouri, and the Iowa. This is the 50th anniversary that all four sister ships sailed together for a few hours. That must have been a sight to see. The sister ships will operate together this year by way of ham radio. With the exception of the USS Iowa, which will be represented by the SS O'Brien, due to access restriction on the Iowa. Work all four stations for certificate on any band or mode. See www.nj2bb.org for more details, frequencies, and QSL information on this event.
